RoHS

HP is committed to compliance with all applicable laws and regulations, including material restriction requirements under the European Union Recast RoHS Directive 2011/65/EU, otherwise known as EU RoHS 2, as amended by Directive 2015/863/EU and RoHS legislation in other jurisdictions.

As a result, we can confirm that the HP HR PA12FR, enabled by Evonik material does not contain, as intentionally added substances, any of the restricted substances (with their respective thresholds) by the EU RoHS Directive:

- Lead (0,1 %)
- Mercury (0,1 %)
- Cadmium (0,01 %)
- Hexavalent chromium (0,1 %)
- Polybrominated biphenyls (PBB) (0,1 %)
- Polybrominated diphenyl ethers (PBDE) (0,1 %)
- Bis(2-ethylhexyl) phthalate (DEHP) (0,1 %)
- Butyl benzyl phthalate (BBP) (0,1 %)
- Dibutyl phthalate (DBP) (0,1 %)
- Diisobutyl phthalate (DIBP) (0,1 %)

REACH

HP complies with the EU's Registration, Evaluation, Authorization, and Restriction of Chemical substances (REACH) legislation, which includes requirements for assessing and managing the risks posed by chemicals. We accomplish this by working closely with suppliers to gather information on listed substances that may be in HP product materials and providing related safety information to customers.

To obtain a copy of the HP REACH Compliance Statement, see <http://www.hp.com/go/reach>.

Please note that we do not provide REACH information on a product level. Instead, HP has created REACH Article 33 declarations on a product type level. These declarations meet all legal requirements and are available here: [REACH Article 33 declarations](#)

Kind regards,

A handwritten signature in blue ink, appearing to read 'Hector', with a stylized flourish extending to the right.
